5. IV Therapy Taskforce Update

The IV Therapy Taskforce met virtually February 10, 2022. Taskforce members are in the process of reviewing the current pool of IV Therapy Test Questions to offer suggestions and comments. It is the consensus of this taskforce that the current pool of test questions are outdated and/or do not apply to the LPN's scope of practice. If approved by the Board, it is the goal of this taskforce to create a new pool of 100 IV Therapy test questions by the end of 2022.

6. Delinquent CNE and IV Therapy Providers

On February 10, 2022, Summary Proceeding Orders were sent to six Long-Term CNE Providers who remained delinquent in submitting their Annual Report and/or Annual Fee: Atkins Physical Therapy & Ergonomics, Bailey Medical Services, Clay County Medical Center, Kansas Department of Health & Environment, Parsons State Hospital & Training Center and Perinatal Resource. To date, two have been returned in the mail as undeliverable: Bailey Medical Services and Perinatal Resource. Of the six providers, none submitted a request for relief from this order. The approval status of these Long-Term Providers have been withdrawn.
